Mr. Thomas J. Kelley
Assistant Director
U.S.Secret Service
Washington, D.C. 20226

Dear Mr. Kelley,

Thank you for your letter of the 24th. I accept the invitation and will be there at the appointed time.

While with the other things I must do I may not have the time to make as complete a list as possible, I will undertake to provide you with a list of what I do seek.

There are some areas in which I have worked where the Secret Service, having an interest, was not able to continue with it. I will not regard it as in any way improper if you would like to question me about these matters and I will speak to you openly and frankly about them, if you are interested, subject only to the preservation of my confidence.

Sincerely,

Harold Weisberg
